EUROA HOUSE FOR SALE

WHAT A BARGAIN!

This is very much a hidden gem, the house is situated in such a picturesque part of town with a backdrop you would be hard pressed to match.

The kitchen adjoins an open living area with a gas heater, polished floorboards and large stained feature timbers both on the roof and the feature mantel piece. Towards the rear of the home are three sizeable bedrooms with the master having both ensuite and a walk in robe. The laundry has been renovated and even has a built in ironing board! There is also a separate bathroom and toilet.
