## BROADFORD HOUSE FOR SALE

The moment you enter this almost seven years young home, you will be impressed with the immaculate presentation and the solid, high quality construction with the finishes and touches of a quality local builder.

A carpeted lounge with a stunning gas fireplace greets you when you walk in the front door, adjacent is the large master bedroom with a beautiful outlook onto the neat front yard. To the rear of the home a large open plan kitchen/dining with more storage than most people could use! as well as a separated hallway leading to the main bathroom, laundry and two large rear bedrooms both with built in robes.

This home was built for minimal maintenance with easy care gardens, large areas of concrete, aluminum windows and rear door and tiles to all high traffic areas of the home including the main hallway.
