## UNIT FOR SALE IN BROADFORD

It's beginning to look a lot like Christmas!

And you will be getting the presents with this lovely rammed earth two bedroom unit. The lucky buyer has their own front and rear courtyard, large lounge with doors that face the park like setting, single carport, shed and paved courtyard. The kitchen and meals area are spacious, bedroom one has built in robes, and the bathroom and laundry are combined to save wasted space.

Fantastic as an investment, ideal for those looking to downsize without having to compromise on living areas, and the bonus gift is the ride on mower and pizza oven that comes with the sale!
