## KILMORE HOUSE FOR SALE

ELEGANT, CHARMING & CHARISMATIC, those words could only be used to describe such a beautiful home, this stunning show piece home started its days as the family abode of a prominent local architect, easily shown in its original build with the Daniel Robertson brick exterior and the elevated placement allowing for views over the surrounding canopy.

The three bedroom house has been renovated with the end result being a real testament to its current owners taking absolute pride in what has been done with a great attention to detail being on show in the finished product you see today.
