WALLAN HOUSE FOR SALE

What an extraordinary offer?

Your chance to invest in one of the fastest growing residential markets in Victoria is right here, right now!

This mostly flat 6000sqm (approx.) block is ultimately suited to residential development (STCA), with other projects already under way on similar neighbouring properties this is the hottest area around town! To make the offer even more lucrative, the property has a beautiful existing dwelling for your family to enjoy while you do your plans and permits or you could make a decent rental income.

The Wallan market is now hotter than ever and the vendor is open to a long settlement so call now and secure your families future, this will not last.
